

## 2017 FY Annual Audit RFP Review:

<b><u>Audit Firm:</u></b>	<b><u>Proposal Details:</u></b>	<b><u>Price:</u></b>
Arnett, Carbis, & Toothman	Arnett Carbis and Toothman (ACT) submitted a proposal from Kiley Wagner, CPA. ACT has been our auditors the past three years. The proposal is a standard proposal submission and shares details as requested. We have worked with this firm well for the past several years in doing our annual audit. They have always been reliable and effective. While they are \$500 more than I budgeted this year, I believe we have a great process and effective relationship with them.	\$7,000 for Audit & Form 990 prep <b><i>Committee Action: Requested that ACT match the price of \$6,000. They agreed and committee approved them to be selected starting after April 15, 2018.</i></b>
